**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of Sonic. They have been an excellent provider. When I have experienced problems they have been quick to respond. I actually speak to a real person without going through several levels of automated responses. Previously I had AT&T as a service provider. Their service was terrible but their rates continued to rise. Sonic is a competitive provider. Competition offers consumers choices that fit their needs instead of being forced to go to only one source.
